About Me

I am a highly motivated and detail-oriented individual with a strong commitment to continuous learning and professional growth. I possess excellent problem-solving skills, a calm and focused approach under pressure, and a strong sense of responsibility. I work well both independently and as part of a team, and I am dedicated to delivering quality results within deadlines. I aim to contribute positively to any organization by aligning my skills with its goals and values.

Interests

Web Design & Development
Front-Endcoding
Creative Presentation
Organizing Personal Work
Learning Through Practice
Exploring Tech

Achievements

- Participated in inter-college coding competitions.
- Created mini projects like portfolio websites and small web apps.
- Consistently learning new programming concepts through practice.

Student result portal

Designed a web application for students to check results using PHP and MySQL.

Technologies Used: HTML, CSS, PHP, MySQL

Future Plans: Adding admin panel, secure login and graphical result analysis.

Certification

- Web Development - Udem
- C++ Programming - Great Learning
